

Dr. Kenneth E. Hagin

For the first 40 years of my ministry, whenever I had a major vision or revelation from the Lord, I would not fully teach it or preach it publicly until I had shared the matter with the Goodwins and asked them to judge it and correct me if they thought I needed it.

Rev. Howard Carter

The Goodwins' church was one of only two I ever saw in my life that had all nine of the gifts of the Spirit in full manifestation.

Rev. Pat Harrison

Buddy and I caught the anointing that was on Momma and Poppa Goodwin when they laid hands on us. We began to flow in the gift of tongues and interpretation...I am eternally grateful to God for putting such precious and special people in my life.

There is a *genuine* flow of the Holy Spirit!

... and many *worthless* imitations.

Kenneth Hagin Sr., along with many other ministers, considered the prophetic ministry of the Rev. and Mrs. J.R. Goodwin to be the most powerful and balanced they had ever seen.

This instruction manual, *Getting into the Genuine Flow*, is the result of years of careful research that included interviews with Mom Goodwin in her final years. Additionally, Mel draws from rare early Pentecostal recordings, most of which had never been copied or released to the public before being entrusted to him. These recordings by F.F. Bosworth, Howard Carter, Stanley Frodsham, and the Goodwins, along with Mel's teachings, have been downloaded millions of times from his website www.brothermel.com.

Getting into the Genuine Flow provides a fresh understanding of the prophetic principles taught and exemplified by our forefathers in the faith. You are given clear instruction that is biblical and balanced, so that you too can walk in the genuine flow of the Holy Spirit so well known to the founders of our faith.

Rev. Mel C. Montgomery

Dr. Billye Brim

It was my privilege to know the Goodwins rather closely. . . The demonstration of tongues and interpretation through them is still the highest I have ever seen.

Dr. Ed Dufresne

Throughout my 45 years of ministry I have been stirred and inspired by the many stories of supernatural manifestations and spiritual happenings that occurred through this remarkable couple, Dad & Mom Goodwin.

Rev. Marilyn Hickey

With the Goodwin's you certainly felt the anointing of God and were encouraged to go deeper in the things of the Spirit.
